Police Department Monthly Summary October 2026

Officer Morrow investigated two separate incidents involving homeless registered sex offenders who failed to properly register an appropriate address. These investigations resulted in two arrests. One individual has been sentenced to four to eight years in prison, while the other remains in Franklin County Jail in lieu of posting bond.

Officers also conducted follow-up work on a related allegation of attempted child luring.

The department responded to multiple domestic disputes throughout the month. On October 19, Officer Kane was struck in the face while taking a suspect into custody during a domestic incident involving strangulation. The suspect was arrested and charged with aggravated assault, simple assault, strangulation, and harassment.

During Trick-or-Treat on October 29, officers handled two domestic incidents, including one that resulted in an arrest on aggravated assault, strangulation, and simple assault charges.
Officers investigated several vehicle crashes, including hit-and-run incidents.

An October 16 crash on Orchard Circle resulted in an arrest involving DUI, terroristic threats, resisting an officer, and other charges, and required forcible extrication of the driver.
During a separate October 29 hit-and-run investigation, officers located the involved vehicle in Chambersburg, with charges pending at the time of the report.

Traffic enforcement continued at the intersection of Leitersburg and S. Washington, along Moss Spring Avenue, and at other locations throughout the Borough. Officers issued warnings and citations for stop sign violations, distracted driving, traffic signal violations, and registration, inspection, and equipment violations.

Officers investigated retail theft, fraud, suspicious activity, and reported threats. Scam complaints included fraudulent solicitations for police donations.

Officers provided guidance to residents and referred incidents outside the Borough to the appropriate agencies.

The department assisted EMS with medical emergencies and fall victims, conducted welfare checks, helped individuals obtain crisis services, and reunited a child found near the roadway with a parent.

Officers also assisted Pennsylvania State Police and the Franklin County Sheriff's Office with wanted persons, vehicle incidents, and other calls.

School and community patrols remained a regular part of department activity. Officers patrolled school grounds, downtown businesses, Center Square, and Jerome King Playground. Personnel provided a presence at Homecoming activities, athletic events, the Apple Festival, Trunk-or-Treat, and Borough Trick-or-Treat. The department also participated in the Rescue Hose Company Open House, a third-grade event with the mayor, and an Honor Flight escort.

The department hosted its annual ALERRT training at the Rescue Hose Company. Personnel from multiple agencies attended the two-day training focused on responding to active assault situations.

On October 21, the department's new Ford Explorer patrol vehicle sustained damage when another vehicle backed into its front passenger side while it was parked in the Borough lot.
