Opportunity for Citizens and Visitors to be Heard

Members of the public and visitors may address Borough Council at this time on specific issues of concern. Council may request that citizens who have concerns with a scheduled agenda item delay their comments until the agenda item is heard. Citizens are asked to be brief and concise in their comments to permit all citizens who wish to speak an opportunity to be heard.

CONSENT AGENDA

The following is a list of routine items which do not appear to be controversial in nature and which probably do not require additional discussion. They can be acted on by one motion in their current form. If discussion is desired on any particular item, any member of Council, or the public, may request the item be removed from the Consent Agenda and that item will be considered separately.
