### **November Investigations**

Thank you, Council Members, for the opportunity to address you today. As this is my first council meeting since being sworn in as Chief of Police, I am pleased to report that my transition has been progressing very well. Over the past month, I have prioritized establishing and strengthening relationships with community members and key stakeholders, laying the foundation for a collaborative approach to public safety.

### **Department Updates**

### **Community Engagement:**

Our department proudly participated in the annual food drive benefiting the local food bank. I am pleased to share that we delivered a significant quantity of food items to the Presbyterian Church. This effort reflects our commitment to supporting the community in ways that go beyond traditional law enforcement responsibilities.

#### **Investigation Update:**

Ofc. Knopp has successfully concluded a detailed investigation involving one of the borough's social groups. The findings have been submitted to the District Attorney's office for review, and we anticipate additional updates as the process moves forward.

#### Resignation:

Ofc. McGarity has submitted his letter of resignation, effective January 4, 2025. I would like to take this opportunity to publicly thank Ofc. McGarity for his 18 years of dedicated service to our community. His contributions have made a lasting impact, and we wish him all the best in his future endeavors.

I am excited about the progress we are making and look forward to further collaboration with the council and the community. Thank you for your continued support.

Respectfully submitted,

Jason T. Batistig
