 Car 824 2024 Dodge Durango 6,522

Thank you, Council Members, for the opportunity to address you today. I also want to wish everyone a fantastic new year.

December Department Updates

Community Engagement:

Our department was proud to participate in the annual "Shop with a Cop" event in the Shippensburg area. As always, it was an incredible experience for both the officers and the community. This event not only provides positive and personal interactions between officers and community members but also fosters a deeper sense of trust and camaraderie. It gives officers the opportunity to engage with children and their families in a fun and meaningful way, strengthening the bond between law enforcement and the community.

Additionally, we successfully completed the mandated notification regarding a Megan's Law violator. This was done promptly and in compliance with all legal requirements, ensuring the safety and awareness of our residents.

As part of our ongoing efforts to improve community safety, we have placed speed monitoring devices in various locations, including E. Baltimore Avenue and Ridge Avenue. Concerns were brought to the department's attention regarding speeding during school hours, particularly in these areas.

Investigation Update:

Officer Knopp has successfully concluded a thorough investigation involving one of the borough's social groups. His diligent work ensured that all relevant evidence was carefully examined and that the case was handled with the utmost professionalism. The arraignment has been held, and further court proceedings are scheduled. I would like to thank Officer Knopp for his dedication and perseverance throughout this investigation. His ability to remain focused and detail-oriented, despite the complexity of the case, has been commendable. The conclusion of this investigation underscores our department's ongoing commitment to public safety and accountability.

Departmental:

I have been diligently working on updating our department's rules and regulations to ensure they are aligned with best practices and comply with recent legal or procedural changes. I am aiming to have the updated policies finalized this month. Once completed, I will ensure they are distributed to the Mayor for review.

I am also pleased to announce that Officer Jaden Morrow has been sworn in and added to the schedule. He has been actively taking on numerous shifts and is quickly becoming a valuable asset to the department. We are excited to have him on board and look forward to his continued contributions.

Police Vehicles:

Cruiser 816 has been sold.

Respectfully submitted,
