July Updates

Community Involvement

On July 11th and 12th, 2025, the Greencastle Police Department proudly participated in the 58th Annual Sidewalk Days. It was a pleasure engaging with so many members of our community and visitors from beyond the area. Events like this provide a great opportunity for our officers to connect with the public in a positive and welcoming environment.

On July 29th, 2025, members of the Greencastle Police Department, along with staff and Mayor Ben Thomas, proudly contributed a donation to the Sheetz for the Kidz program.

This initiative reflects our continued commitment to supporting children and families in our community. We are honored to assist an organization that brings joy and essential resources to local youth in need.

Training

During the week of July 21st-25th, 2025, officers from surrounding agencies participated in the ALERRT "Active Assault" Train-the-Trainer program. This free training, presented by the Advanced Law Enforcement Rapid Response Training (ALERRT) Center, provided officers with the skills and instructional knowledge necessary to return to their respective agencies and teach this vital material. The training focused on equipping officers with the tools and tactics to effectively respond to active assault scenarios in a variety of environments, including schools, churches, and businesses. During the training, civilian volunteers were utilized to serve as role players, simulating victims in active assault situations. Their participation added a valuable level of realism to the scenarios and contributed greatly to the success of the program.

I would like to extend my sincere thanks to the members of Borough Council and the staff of Greencastle-Antrim Primary School for their support and participation during this training. Their assistance was instrumental in facilitating a smooth and effective training environment. Finally, I would like to congratulate all participating agencies and officers for their commitment to this important program and express my deep appreciation to ALERRT for bringing this opportunity to our region. Your continued dedication to preparedness and public safety is truly commendable.

Old Home Week

In addition to our ongoing commitment to public safety throughout the week, our officers also joined in on the fun at National Night Out, the bike race, and the Old Home Week Parade. These appearances provided opportunities for officers to connect with residents, answer questions, and strengthen community relationships in a friendly and approachable setting.

Thank you to everyone who came out and supported the relaunch of Greencastle's National Night Out. We look forward to seeing you next year!
