June Updates

Officer Pepple Graduates and Joins the Force

Out with the Old, In with the New

The new 2026 Ford Police Interceptor Utility has been delivered, and the vehicle is expected to be upfitted and placed into service later this month.

The 2013 Chevrolet Tahoe will be decommissioned and taken out of service once the new cruiser has been fully upfitted and is ready for patrol use.

Technology

The department is currently upgrading its fleet with new in-car docking stations and computers, replacing the outdated tablet systems currently in use. These upgrades are necessary to properly operate the new camera and LPR systems previously installed in the cruisers.
