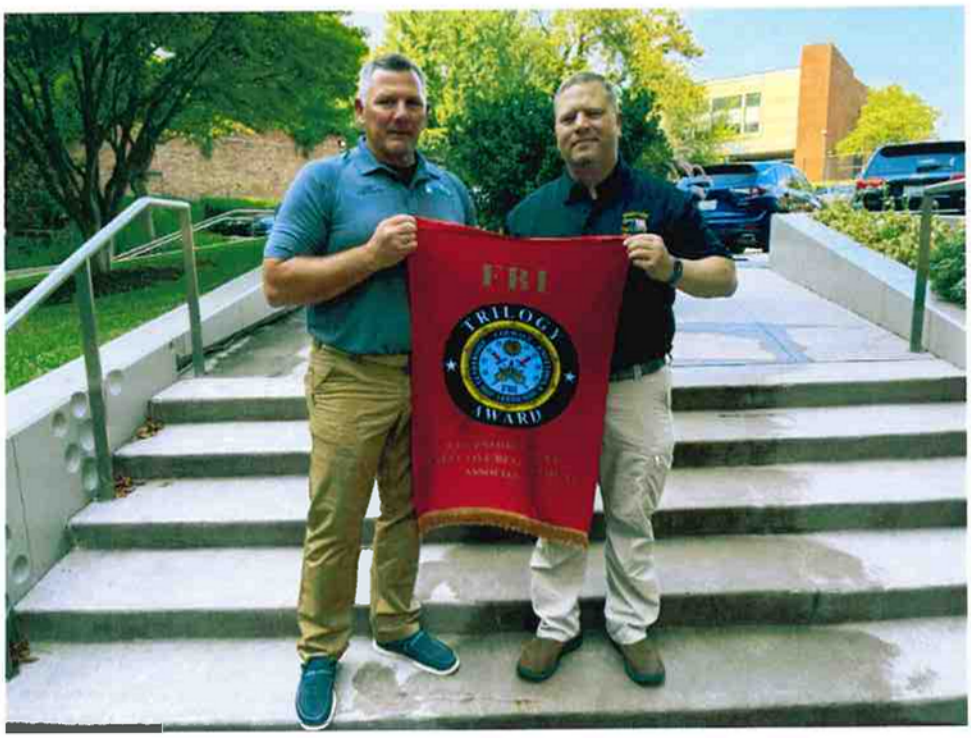
July Updates

FBI-LEEDA Leadership Trilogy

I recently completed the FBI-LEEDA Leadership Trilogy, a nationally recognized leadership development program for law enforcement executives. The trilogy includes:

- Supervisor Leadership Institute (SLI)
- Command Leadership Institute (CLI)
- Executive Leadership Institute (ELI)

The training focused on leadership, organizational management, strategic planning, and building strong relationships within the agency and the community. The knowledge gained will be applied to the continued development of the Greencastle Police Department and the services we provide to the Borough.



Officer Pepple Completes FTO

Officer Pepple has successfully completed his training period and has been placed into the department's regular patrol schedule. He is now working independently and performing the full duties of a patrol officer..

Technology

Speed signs have been deployed in the Moss Sring Develpopment and are currently gathering speed data.

Ongoing Investigation

The investigation into the vandalism that occurred at Jerome King Playground on May 16, 2026, has been completed. The individuals responsible have been identified, and criminal charges will be filed.

National Night Out

National Night Out will be held on Tuesday, August 4, 2026. Final preparations are underway, and in addition to many returning participants, several new organizations and community partners will be joining us this year.
