September Updates

After responding to several disturbance calls involving a registered sex offender from West Virginia who had no fixed address, Officer Morrow took the initiative to further investigate Pennsylvania's residency and sex offender registration requirements. Through his investigation, Officer Morrow determined that the subject had failed to properly report his residency as required by Pennsylvania law, an offense graded as a third-degree felony. As a result of the investigation, the subject was apprehended and charged accordingly. He was subsequently committed to the Franklin County Jail in lieu of $35,000 bond.

Officers successfully completed their required annual firearms training and qualifications. The training ensures that each officer continues to meet established proficiency and safety standards for the use and handling of department-issued firearms.

The Greencastle Police Department partnered with the Franklin County Sheriff's Office to participate in Wawa's Hoagies for Heroes Challenge as part of the grand opening celebration of the new Greencastle location. The law enforcement team competed against local fire department representatives in a friendly hoagie-making competition and came away with the win, although the fire department certainly gave them a run for their money. The event provided a great opportunity for local first responders to engage with the community in a fun and positive setting while helping welcome Wawa to Greencastle.
