NOTEWORTHY ACTIVITIES:

July was a busy but not particularly noteworthy month.

As noted in the stats there were 16 ordinance violations handled in the month of July

“Blue Phone” is ready to be installed. It was unlikely to be completed before OHW and as a result we waited until after. It will now move forward.

I would like to thank members of the Greencastle Police for giving a great deal of extra time during the recently closed “OLD HOME WEEK”. Time here was time away from family and it is greatly appreciated.

I would urge everybody to locate the video “The First Day” by Chris Herren. It is broadcast on ESPN. Herren was a rising basketball star until he fell into the Opiod crisis. This program should be required for parents and grand-parents. It gives a very intimate and unique look at how drugs in general are affecting the lives of our young people.
