NOTEWORTHY ACTIVITIES:

I attended a meeting arranged by Commissioner Thomas at the Franklin County Jail where the Director of ICE for this region spoke. She presented useful information on their activities and local law enforcement resources.

Among other information Diane Kelso, Executive Director of Over the Rainbow CAC reported that October will be their 5 anniversary since opening the doors. During that time they have assisted over 1200 abused children.

On 09/25/2019 we had contact with a PA DOT Engineer conducting a survey on S Washington St. He indicated at that time he was probably going to recommend signage prohibiting trucks of a certain size on S Washington St.

New Emergency Phone has been installed on the front of the Police Station.

A thank-you to Off Kamoie for going above and beyond the call of duty yesterday morning. He and Off Knopp responded to a report of a child walking along Baltimore St at 0345 hrs. They located a 3 year old child as reported. Children and Youth stated that they don't respond until 5 hours had been reached. Off. Kamoie secured diapers and food for the child from his residence and cared for her until the parents were located. The child is safely back home with her parents.
