NOTEWORTHY ACTIVITIES:

An apology to the community for our lack of visibility during Friday night's Trick or Treat. With the rain delay we were short on staff and became involved in a larger crime involving a local banking institution which resulted in fewer officers out for the evening festivities.

A huge Thank-You to Off. Bradley for assisting Trp. Garcia with the annual Fish-with-a Cop. I believe a great time was had by both kids and Cops

Unit 819 sustained damage after being struck by a deer. Repairs are being scheduled.

I had occasion to meet with Mental Heal and Law Enforcement reps from another PA county looking to start a Co-Responder program like we have here. They were impressed with the results of the program and what it does for both law enforcement and the community in general.

The month of October saw a series of Criminal Mischiefs and Thefts from vehicles. Those incidents are currently under investigation.

We also saw an extraordinary number of calls this past moth with the total at 382. October of 2018 saw calls for service at 268, a 42 % increase.

There have also been some questions about the nature of a "Directed Patrol". They are just as the name implies specific patrols focused at specific problems, for instance foot patrols at the Playground. We also do these at some local businesses and Borough facilities at the request of other Department Heads. These are almost exclusively proactive in nature.
