

BOROUGH UPDATE MARCH 31, 2020
OFFICE CLOSURE AND UTILITY BILLING

The Borough office remains closed to the public until further notice. Personnel continue to work remotely with access to phone and email for all inquiries. We have mailed first quarter utility bills and they should begin arriving late this week with payment due April 30. The Borough encourages all residents to use Xpress Bill Pay for payment using eChecks, automatic withdraw or credit/debit card payments. Information about Xpress Bill Pay (a free service) can be found online at www.greencastlepa.gov. Residents can also submit payment via USPS or by hand delivery in the drop-box located to the right of the Borough office door. If you require a receipt in addition to the one provided on your bill, please provide a note with your payment specifying the return address and one will be mailed to you.

As always, we thank you for your patience and continued understanding during this time of constant change. The Borough will notify all residents of any updates to our operations as quickly as they become available.
