### May 18 GAFOWA Meeting Will Be Held Virtually

(Greencastle, PA) The Greencastle Area, Franklin County, Water Authority (GAFOWA) meeting scheduled for May 18 at 6:45 p.m. will be conducted virtually using the Cisco® Webex platform in response to ongoing COVID-19 restrictions issued by Governor Wolf following protocols currently in place by government agencies throughout the local area. The virtual meeting format will be used on a limited basis as needed to further support safe distancing restrictions under the current state of emergency.

“We will again use the Cisco® Webex platform for the upcoming GAFOWA meeting,” said Borough Manager Lorraine Hohl. “In light of the current pandemic and the success of the recent virtual Borough Council meeting, the Authority had determined that the Webex platform is the best available solution to allow the meeting to proceed.”

The public can listen in to the May 18 meeting by calling in to a preset number which will be provided in advance of the meeting at [www.greencastlepa.gov](http://www.greencastlepa.gov) under *Notices*. Anyone wishing to submit a question or comment may do so on or before 6 p.m. May 18 via USPS, the afterhours drop box at the Borough office or via email at [office@greencastlepa.gov](mailto:office@greencastlepa.gov). All comments will be read at the meeting.
