Re: Stormwater – MS4 Waiver  
Greencastle Borough Franklin County MS4  
Waiver No. PAG133729  
Authorization ID No. 1301824  
Greencastle Borough, Franklin County

Dear Ms. Hohl:

The Department of Environmental Protection (DEP) received your request for a permit waiver for your small Municipal Storm Sewer System (MS4). We have reviewed your submission and we have determined that you qualify for a waiver from NPDES MS4 permitting requirements, and your request is approved. Your existing permit coverage under the PAG-13 General Permit is hereby revoked.

**This waiver applies for a 5-year period and expires five years from the date on this letter.** In the event that the conditions identified in the waiver request form change during the term of this waiver, you may be required to submit a new application for an individual NPDES permit or NOI for coverage under the PAG-13 General Permit.

**You must submit an application or NOI for coverage under an NPDES MS4 Permit at least 180 days prior to the expiration of your waiver.** At that time, if you determine that you meet eligibility requirements for a waiver from permitting, you may include a new waiver request with your permit application or NOI. NPDES permits and waivers must be renewed every five years.

Any person aggrieved by this action may appeal the action to the Environmental Hearing Board (Board), pursuant to Section 4 of the Environmental Hearing Board Act, 35 P.S. § 7514, and the Administrative Agency Law, 2 Pa.C.S. Chapter 5A. The Board's address is:
