

Special Meeting, Council Hall,
January 11, 1933, 7:00 P. M.

A special meeting of Council was held in Council Hall on the above date for the purpose of awarding a contract for stone.

Present: Burgess Shinham, and councilmen, Hoachlander, Stover, Miller and Leshner.

In the absence of the President and Secretary, Mr. E. G. Hoachlander was elected President Pro-Tem. and Mr. Roy W. Stover as acting secretary.

The committee appointed to make investigation of the cost of producing stone by the aid of Talbot Act labor in Shippensburg made a report and stated that because of more favorable conditions there they could produce stone more cheaply than in Greencastle. After discussion and careful figuring of costs, it was estimated that the cost of stone produced in this manner and delivered to Greencastle from the Eshleman quarry would be approximately 68 ¢ per ton.

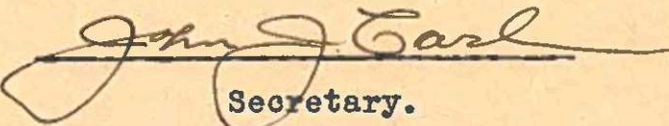

Mr. Harry T. Goetz proposed to furnish council with stone at this price, viz. 68 ¢ per ton, from his quarry, delivered to the streets in Greencastle, without the use of Talbot Act labor. Since the cost of goggles and extra compensation insurance would be eliminated by this arrangement, Mr. Goetz's offer was considered the lowest bid.

On motion of Mr. Miller, seconded by Mr. Stover, that the contract be awarded to Mr. H. T. Goetz for the following approximate amount of stone at 68 ¢ per ton. F. O. B. Greencastle:-

750 Ton.	No. 2 or 1 1/2 in. stone,
1300 Ton.	No. 1 A or 5/8 in. chips.
225 Ton.	Penn'a. No. 5 or 4 in. Ballast.
345 Ton.	Penn'a. No. 1 or Dust.

On motion adjourned.

Above minutes recorded by Roy W. Stover, Secretary Pro-tem.

Secretary.
