Representatives of the Hammacker Company were present and gave prices and recommendations concerning the purchase of oil for streets. Following discussion as to the advisability of using Ugite or liquid asphalt, it was decided on motion of Mr. Stover, seconded by Mr. Frank that the Street Committee be authorized to purchase approximately 1200 gallons of Ugite to be used in oiling East Baltimore Street as soon as possible. The motion provided also that in the event this material could not be obtained promptly, that work should be done with liquid asphalt. Action on purchase of oil for other streets was deferred until a later date.

A request was received from the Rescue Hose Co. for permission to hold their annual block-party on N. Washington Street as in former years. On motion this request was unanimously granted.

A petition bearing the names of 16 citizens was presented requesting widening and repairs to the lane leading west from S. Washington Street at the property of J. Edgar young. The Street committee was authorized to investigate the property lines of this lane and to report the possibility of making it of a two-car width.

A letter was received from Mr. H. S. Bittner calling attention to the fact that a petition presented Mar. 7, 1932 asking for side-walks along properties of Omwake, Rahouser and others on E. Baltimore Street, had not been acted upon, and stating that unless some action in this matter was started within 30 days that legal steps would be taken to compel construction. Some discussion ensued. A letter from Attorney Hoke was read explaining necessary procedure in ordaining new streets, but because it was tho't the Attorney was not well acquainted with the facts in this case, the secretary was instructed to furnish him with all information possible and request a prompt reply. Action was deferred pending further word from Mr. Hoke.

Burgess Shinham reported continued complaints concerning speeding cars and advised immediate enforcement of speed regulations. Chief Ambrose explained that in order to ensure convictions it would be necessary to check speed of cars with either a motor-cycle or car. Some discussion followed but it was agreed that Chief Ambrose should lease a car for a short period and and confer with the Burgess concerning enforcement measures.

On motion the Street Committee was authorized to secure the services of a surveyor to establish the borough limits along the highways entering town, and to mark same with permanent stone or concrete markers.

On motion the Burgess and Streett Committee was requested to set a date for clean-up week, the same to be fixed so as not
